## Board Communication

AGENDA ITEM  
V

**DATE:** July 22, 2025

**SUBJECT:** Public Hearing and Consideration of Levy of Assessments – FY 2025–26 Fire Protection and Emergency Response Services Assessment

**PREPARED BY:** Nallely Castro, Board Clerk

### **RECOMMENDED ACTION:**

Open the public hearing, receive public input, and upon conclusion, adopt the attached resolution approving the Engineer's Report for Fiscal Year 2025–26, which includes the assessment diagram and proposed assessment amounts for the Springlake Fire Protection District's Fire Protection and Emergency Response Services Assessment. This action confirms the assessment and authorizes the levy to be placed on the 2025–26 tax roll, subject to ballot approval.

### **BACKGROUND INFORMATION:**

The Springlake Fire Protection District ("District") has initiated proceedings to levy an annual assessment for Fire Protection and Emergency Response Services for Fiscal Year 2025–26 in accordance with the requirements of Article XIID of the California Constitution (Proposition 218).

As part of this process, the District retained SCI Consulting Group to prepare an Engineer's Report, which outlines the method of assessment, identifies the parcels subject to assessment, and provides the corresponding assessment amounts and diagram.

In compliance with Proposition 218, notices and ballots were mailed to all record owners of property within the proposed assessment area. Each ballot is weighted in proportion to the proposed assessment amount assigned to the respective parcel.

The proposed assessment and related assessment amounts will only be authorized if the tabulation of ballots demonstrates majority support—total weighted ballots received in favor of the assessment.

If a majority of returned ballots support the assessment, the Board may adopt the resolution to confirm the Engineer's Report and levy the new assessment for FY 2025–26.

Respectfully yours,

Eric Zane  
Fire Chief

BEFORE THE BOARD OF COMMISSIONERS  
OF THE SPRINGLAKE FIRE PROTECTION DISTRICT

RESOLUTION NO. \_\_26-01\_\_

A RESOLUTION APPROVING ENGINEER'S REPORT,  
CONFIRMING DIAGRAM AND ASSESSMENT,  
AND ORDERING LEVY OF THE SPRINGLAKE FIRE PROTECTION DISTRICT,  
FIRE PROTECTION AND EMERGENCY RESPONSE  
SERVICES ASSESSMENT FOR FISCAL YEAR 2025-26

WHEREAS, the Springlake Fire Protection District (the "District") Board of Commissioners (the "Board") on April 29, 2025, ordered the initiation of the proceedings for the formation of an assessment to be known as the Fire Protection and Emergency Response Services Assessment (the "Assessment"), for the purpose of financing the cost of improved fire suppression (also referred to as fire protection) services, as further described herein, for all the properties within the boundaries of the District as specified in the Engineer's Report prepared by the Assessment Engineer, SCI Consulting Group; and

WHEREAS, said Board adopted Resolution No. 25-03 on April 29, 2025, a Resolution Initiating Proceedings, Providing Intention to Levy Assessments, Preliminarily Approving the Engineer's Report, and Providing for Notice of a Public Hearing and the Mailing of Assessment Ballots for the Springlake Fire Protection District, Fire Protection and Emergency Response Services Assessment within the boundaries of the District for the proposed Fire Protection and Emergency Response Services Assessment. The annual assessment rates for various types of real property within the proposed assessment, the total number of parcels to be assessed, and the total amount of annual assessment revenue is contained within the Engineer's Report; and

WHEREAS, said Board, with the adoption of Resolution No. 25-03 further approved and filed an Engineer's Report, which includes: (1) a description of the increased fire protection and emergency response services to be funded with assessment proceeds; (2) an estimate of the annual cost of this service level increase including positions for additional personnel, equipment replacement and apparatus replacement described in the Engineer's Report; (3) a description of the assessable parcels of land within the District and proposed to be subject to the new assessment; (4) a description of the proportionate special and general benefits conferred on property by the proposed assessment; (5) a diagram and boundary map for the Assessment, and (6) a specification of the amount to be assessed upon various types of assessable land within the Assessment to fund the cost of improved fire protection and emergency response services. The Engineer's Report is incorporated herein by this reference; and

WHEREAS, said Board also adopted Resolution No. 25-02 on April 29, 2025 a Resolution Adopting Proposition 218 Assessment Ballot Proceedings Procedures and its requirements; and

WHEREAS, said Board has provided a 45-day written mailed notice and ballot to each record owner of assessable parcels of real property located within the boundaries of the proposed Fire Protection and Emergency Response Services Assessment, as set forth on the Assessment Diagram and Boundary Map, of a public hearing which was held at a regular meeting of the Board of Commissioners on July 22, 2025, at 1:00 p.m. at the City of Woodland Fire Department, 1556 Springlake Court, Woodland, CA 95776 on the issue of whether the Fire Protection and Emergency Response Services Assessment should be formed and assessments levied and collected as proposed in the Engineer's Report for fiscal year 2025-26 and for subsequent fiscal years; and

WHEREAS, the form of written mailed public notice of the public meeting contained the following information: (a) the total amount of assessments proposed to be levied within the Assessment for fiscal year 2025-26; (b) the assessment chargeable to each owner's parcel; (c) the duration of the proposed assessment; (d) the reason for the assessment; (e) the basis upon which the amount of the proposed assessment was calculated; (f) the date, time and place of the public hearing as specified in this resolution; (g) a summary of the voting procedures and the effect of a majority protest; and (h) a statement that all written objections on the constitutionality of the assessment must be submitted before July 16, 2025 and that a failure to timely object in writing bars any right to challenge the assessment through a legal proceeding. The form of the written mailed public notice also included an Assessment ballot by which each property owner could express their support or opposition to the proposed assessment. The ballot indicated that it must be returned before the conclusion of the public input portion of the public hearing that began on July 22, 2025 in order to be valid and counted, and that all assessment ballots received by the Board Secretary (the "Tabulator"), would be tabulated by Board Secretary; and

WHEREAS, pursuant to the provisions of California Constitution Article XIII-D, an opportunity for protest has been afforded, and the assessment ballots mailed to owners of assessable real property within the proposed boundaries of the Springlake Fire Protection District, Fire Protection and Emergency Response Services Assessment, have been received and tabulated, with assessment ballots weighted according to the proportional financial obligation of each affected parcel.

WHEREAS, any timely written objections to the assessment received by the deadline posted in the notice of public hearing have been duly considered and a written response has been provided pursuant to Government Code Sections 53759.1 and 53759.2.

WHEREAS, during the public hearing written protests and verbal protests were received, which the Board noted and has considered along with the other information received during the public hearing.

NOW, THEREFORE, BE IT RESOLVED, BY THE BOARD OF COMMISSIONERS OF THE SPRINGLAKE PROTECTION DISTRICT AS FOLLOWS:

Section 1: The above recitals are true and correct.

Section 2: The canvass of the assessment ballots submitted by property owners is complete and certified by the Board Secretary, the Tabulator, and the votes cast are as follows:

Total Number of Valid Ballots Processed:	_____
Total Assessment Amount of Valid Ballots:	_____
Total Assessment Amount of "Yes" Votes Processed:	_____
Total Percentage of "Yes" Ballots, Weighted by Assessment:	_____
Total Assessment Amount of "No" Votes Processed:	_____
Total Percentage of "No" Ballots, Weighted by Assessment:	_____
Total Assessment Amount of "Invalid" Ballots Processed:	_____

Section 3: \_\_\_\_\_ assessment ballots were returned and received prior to the close of the public hearing that began on July 22, 2025. This represents a \_\_\_\_\_ ballot return rate on the 440 ballots mailed. Of the assessment ballots returned, \_\_\_\_\_ assessment ballots were declared invalid, in that they were either not marked with a "Yes" or "No", were marked with both a "Yes" and a "No", were not signed, or the property ownership and barcode information was illegible.

Section 4: As determined by ballots cast, as weighted according to the amount of assessment for each parcel, \_\_\_\_\_% of the property owners cast ballots in support of the Fire Protection and Emergency Response Services Assessment. Since a majority protest, as defined by Article XIID of the California Constitution, did not exist, this Board thereby acquired jurisdiction to order the levy of assessment prepared by and made a part of the Engineer's Report to pay the costs and expenses thereof.

Section 5: The Final Engineer's Report for the Fire Protection and Emergency Response Services Assessment, together with the diagram and boundary map of the Assessment contained therein, and the proposed assessment roll for fiscal year 2025-26 are hereby confirmed and approved; and

Section 6: That based on the oral and documentary evidence, including the Engineer's Report, offered and received at the public hearing, the Board expressly finds and determines that: (a) each of the several assessed lots and parcels of land within the Assessment will be specially benefited by the Services and Improvements (as described in the Engineer's Report) in at least the amount of the Assessment apportioned against such lots and parcels of land, respectively; and (b) that there is substantial evidence to support, and the weight of the evidence preponderates in favor of, said finding and determination as to special benefit to property with the Assessment from the Services to be financed with assessment proceeds; and

Section 7: That the Fire Protection and Emergency Response Services Assessment is hereby formed, and assessments consistent with the Engineer's Report are hereby levied, pursuant to Section 13914 of the California Health & Safety Code and Title 5, Division 1, Part 1, Article 3.6 of the California Government Code, "Fire Suppression Assessments", beginning with Section 50078; and

Section 8: That assessments for fiscal year 2025-26 shall be levied at the base rate of ONE HUNDRED FORTY-NINE DOLLARS AND NINETY-EIGHT CENTS (\$149.98) per single family equivalent benefit unit and adjusted by factors like relative fire risk and travel time as specified in the Engineer's Report for fiscal year 2025-26 and set forth in the following table.

Property Type	Proposed Rate	Unit
Single Family	\$149.98	each
Multi-Family	\$46.43	res unit
Commercial/Industrial	\$646.85	acre
Office	\$318.48	acre
Storage	\$497.75	acre
Parking Lot	\$33.72	each
Vacant	\$26.08	each
Agriculture	\$2.83	acre
Range Land & Open Space	\$1.86	acre

With estimated total annual assessment revenues as set forth in the Engineer's Report; and

Section 9: That Fire Protection and Emergency Response Services to be financed with assessment proceeds described in the Engineer's Report are hereby ordered; and

Section 10: That the assessments shall be levied annually.

Section 11: That the authorized maximum assessment to be levied each year for the Assessment shall only increase by a cost-of-living adjustment based on the annual change in the Consumer Price Index for All Urban Consumers in the San Francisco-Oakland-Hayward ("CPI"), not to exceed 3% (three percent) per year without a further vote or balloting process. The District will not increase the assessment rate for at least 5 years, commencing no earlier than fiscal year 2031-32.

Section 12: Immediately upon the adoption of this resolution, but in no event later than August 10 following such adoption, the Board shall file a certified copy of the Diagram and Assessment and a certified copy of this resolution with the Yolo County Auditor ("County Auditor"). Upon such filing, the County Auditor shall enter on the County assessment roll opposite each lot or parcel of land the amount of assessment thereupon as shown in the Assessment. The assessments shall be collected at the same time and in the same manner as County taxes are collected and all laws providing for the collection and enforcement of County taxes shall apply to the collection and enforcement of the

assessments. After collection by the County, the net amount of the assessments, after deduction of any compensation due the County for collection, shall be paid to the District.

Section 13: The monies representing assessments collected shall be deposited in a separate fund established under the distinctive designation of the Fire Protection and Emergency Response Services Assessment. Funds collected from the Fire Protection and Emergency Response Services Assessment shall be expended only for the special benefit of parcels within the Fire Protection and Emergency Response Services Assessment.

Section 14: The Fire Protection and Emergency Response Services Assessment, as it applies to any parcel, may be corrected, cancelled or a refund granted as appropriate, by order of the Board of the Springlake Fire Protection District by a determination from the Assessment Engineer that the Assessment should be revised to be consistent with the method of assessment established in the Engineer's Report. Any such corrections, cancellations or refunds shall be limited to the current fiscal year.

# SPRINGLAKE FIRE PROTECTION DISTRICT

## Board Communication

### AGENDA ITEM VII.B

**DATE:** July 22, 2025

**SUBJECT:** Approval of FY2025-26 Budget

**PREPARED BY:** Nallely Castro, Board Clerk

#### **RECOMMENDED ACTION:**

That the Springlake Fire Protection District Board of Fire Commissioners review and approve the proposed budget for fiscal year 2025-26.

#### **BACKGROUND INFORMATION:**

The Springlake Fire Protection District budget for FY2025-26 is due to the County of Yolo Office of the Auditor-Controller by August 1, 2025. The budget is comprised of Financing Sources (Schedule A) and Financing Uses (Schedule B). The budget has been prepared to allow for disbursement of all monies (except those funds designated as Reserve) due to the cities in a manner consistent with the current and proposed Agreement.

##### **Page 1: Financing Sources**

Based on the most recent General Ledger dated July 22, 2025, and comprised of property taxes, supplemental roll, interest, homeowners property tax relief, other in-lieu, and special assessments.

Total projected sources: \$ 614,650.00

##### **Page 2-3: Financing Uses**

Includes estimated appropriations for services and supplies and other charges. The FY2025-26 Budget includes expenditures related to the proposed contract changes between the District and the Cities of Woodland and Davis. This includes increased payment to the City of Woodland for administrative services (\$12,000 annually) and the first set aside for establishing the proposed Reserve Fund to fund future Prop 218 assessment updates (\$5,000 annually or until the fund reaches \$30,000). If for any reason the proposed contract changes do not take effect, these funds can be disbursed to the Cities of Woodland and Davis in the final disbursement for the FY2025-26 fiscal year.

Total estimated uses: \$614,650.00

Additional forms include the FY2025-26 Special District Authorization Form, which designates who is authorized to perform duties on behalf of the fire commission, and an updated list of District Officials.

Respectfully yours,

Eric Zane  
Fire Chief

# SPRINGLAKE FIRE PROTECTION DISTRICT

## Board Communication

### AGENDA ITEM VII.B

**DATE:** July 22, 2025

**SUBJECT:** Yolo County Fire Protection Districts Sustainability Update

**PREPARED BY:** Nallely Castro, Board Clerk

**RECOMMENDED ACTION:**

That the Springlake Fire Protection District Board of Fire Commissioners receive an update on progress with the Yolo County Fire Protection District Sustainably.

**BACKGROUND INFORMATION:**

In 2019, Yolo County staff researched and prepared a report regarding the challenges facing the Yolo County Fire Protection Districts. These challenges are occurring nationwide and include a declining volunteer base, coupled with increasing call volume and the increasing cost of apparatus replacement. The report was presented in July of 2019 to the Yolo County Fire Chiefs Association and to the Yolo County Board of Supervisors (BOS). As a result of this report, the BOS directed staff to work with the fire districts to develop a long-term sustainability plan and formed an ad hoc committee for this purpose. The committee is comprised of two Yolo County Supervisors and a subset of fire chiefs from the Yolo County Fire Chiefs Association designated to meet and work with the County committee.

In 2022, Yolo LAFCo Director Christine Crawford delivered the draft Fire Services Municipal Service Review (MSR) to the LAFCo Board and the Yolo County Board of Supervisors (BOS). The MSR leaned heavily towards fire districts, both independent and dependent, joining together in Joint Operations Agreements (JOA's). The Elk Horn Fire Protection District is with the only options being contract services, with dissolution. Area Four of the report, which included the contract districts, including the Springlake Fire Protection District, recommended consolidation of the contract districts as a way to eliminate contract discrepancies, as well as contain costs for those districts whose contracts are much different from Springlake's. The Springlake FPD formed a sub-committee made up of Commissioners Arvin and Santoni, Chief Zane who met with the County's representatives on numerous occasions to express the concerns of the SPFD Board of Fire Commissioners and receive updates from the County. The original direction from the County BOS was to combine Elkhorn with the Springlake FPD. Chief Zane have continued to meet with the County to discuss the impacts of the dissolution of Elkhorn on the City of Woodland and the Springlake Fire Protection District.

Respectfully Yours,

Eric Zane  
Fire Chief
